

HOW CAN I PROTECT MY FAMILY

# COVID-19 TESTING

Registration on-site

- Have your Insurance Card & Driver's License ready

We offer both the PCR test, rapid antigen and Antibody test

- PCR and rapid antigen tests tell you if you currently have COVID-19
- Antibody tests are less accurate but tell you if you have had COVID-19 in the past

No appointment is needed. All sites are first come, first serve.

There is no copay and insurance covers 100% of the cost for patients experiencing symptoms or who have been exposed
